

9th Grade Service Opportunity

The Media Team is in need of new volunteers. They volunteer their time to assist behind the scenes to enhance our liturgies, including A/V recordings, running cameras and projectors, displaying images, videos and slideshows, etc.

There is a training process involved but several of our young people are already involved in this dynamic ministry.

If you are interested in joining this fun, rewarding ministry, please contact the Rectory or email leeanne@saintdominicchurch.com
