

9th Grade Service Opportunity

If you love being with preschoolers, this job is for you! Joy in the Beginning is the preschool religion program that we have at this parish every Sunday at the 10:00 mass. Kids from ages 3→6 meet in the room downstairs for games, play, crafts and Bible stories while their parents attend mass. We end up having about 10-12 kids each week so we really need some teen helpers. A weekly commitment would be best but if you can only do a few weeks, that's OK too.
