

Grade 10 Service Project Update – Tuesday, November 7

All projects must be reviewed by Father May or Deacon Paul before they can be undertaken.

Deacon Paul reviewed Project Plan Sheets (PPS) during class on November 6. If there are no purple notes or marks, you are all set to go! If there are purple notes, please review them and adjust your plan accordingly before beginning. Copies of the PPS are also posted online, called "10OctClassProjectPlanSheet."

All students who attended the November 6 class should have received a poster board and directions for the next step. The directions are also posted online, called "Grade 10 Poster Weekend."

Review the following to see which of the 4 categories you fall into and what your next steps should be:

If you

- attended November 6
- turned in a PPS and had it approved
- received a poster board and directions

Your poster board is due before the start of 5:00 mass November 18. Place it on the black-topped table outside RE and Mrs. Kamradt will hang it. Congratulations! You are right on track.

If you

- attended November 6
- did not turn in a PPS
- received a poster board and directions

You need to turn the PPS in to Mrs. Kamradt before the 5:00 mass this Saturday so Father May can review it on Sunday. Just put it in the mailbox on the table outside her office. Mrs. Kamradt will return your PPS to you at the start of the week. Your poster board is due before the start of 5:00 mass November 18. Place it on the black-topped table outside RE and Mrs. Kamradt will hang it.

Deacon Paul was very impressed by the project plans that he reviewed. We know we have great kids with great ideas---now the parish will know it, too!
