

These questions will help you prepare for your last Confirmation class (Monday, April 2). At this class, a parish leader will join your mentor group to hear about your experiences over the last year with the service project.

Total hours for planning and work on this was

The best part about my project was

The hardest part about my project was

What kinds of social service projects can you see yourself doing as you become an adult?

This is how this project helped me become a better disciple:
