

Become a Literacy Volunteer!

Monday, April 18, 2016 at 7:00 pm

in the Learning Center of Saint Dominic Parish

The mission of the Literacy Volunteers of Central Connecticut (LVCC) is to help adults and families improve their lives through

developing and enhancing literacy skills. LVCC provides instruction, assistance and encouragement to those adult members of our

community who are interested in improving skills in reading, writing, or speaking English.

This organization also recruits and trains volunteers to tutor and serve as mentors for motivated low-literate adults who are eager to change their lives.

If you are interested in learning more about becoming a Literacy Volunteer and making a positive difference in our community, the Parish of the Future Educational Programming Committee would like to support you!

Representatives from the Literacy Volunteers will provide an information session on **Monday, April 18, 2016 at 7:00 pm in the Learning Center.**

Information regarding their programs and the training provided to volunteers will be discussed. Those interested in becoming a volunteer will have an opportunity to sign up for training that will be provided in June.

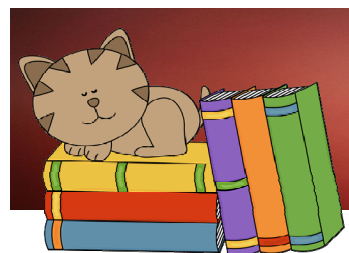

Please RSVP by emailing Teresa Soltys at teresa@saintdominicchurch.com. If you have any questions about the program, please contact Karen Leary at 860.302.9652.

We look forward to seeing you on April 18th.
